## HARD SKILLS

*Programming languages*

C++  
Kotlin  
SQL

*Technical skills*

Linux  
Algorithms  
Data structures  
Linear algebra  
Mathematical analysis  
Olympiad mathematics

## SOFT SKILLS

Reading documentation  
Problem solving  
Hard working  
Communication  
Critical thinking

## LANGUAGES

Russian  
English Intermediate

## AREA OF INTEREST

Software Developer Database C++ Kotlin

## EDUCATION

📅 09/2016 - 06/2018  
📍 St. Petersburg Presidential Physics and Mathematics Lyceum №239

📅 09/2020 - 06/2024  
📍 St. Petersburg State University, Faculty of Math and Computer Science  
Bachelor Degree

## EXPERIENCE (WITH GITHUB LINK)

- Simple talk chat implementation
- Project on parsing long text with a text index
- Project on bmp file editing
- Project on analyzing html-pages with multithreading
- Disassembler implementation
- DSL implementation

## ACHIEVEMENTS

- All Russian Olympiad in Mathematics (2016) - Finalist
- St. Petersburg State University Olympiad in Mathematics (2018) - Winner
- Lomonosov Olympiad in Mathematics (2018) - Winner
- ICPC 2021-2022, North-Western Russia Regional Contest (2021) - Participant

## EXTRACURRICULAR

📅 2018  
📍 Summer Mathematical School "Kostroma Open"  
Olympiad mathematics teacher

📅 2021  
📍 Summer School "Marabou"  
Olympiad mathematics teacher
